

The Ela Kodesz Prize for Outstanding Cancer Research Presentation

In the context of its support of excellence in cancer research, The Ela Kodesz Institute for Research on Cancer Development and Prevention is proud to announce the **2020 Competition for Outstanding Cancer Research Presentations**.

Participants. The competition is open for MSc., PhD and Post-doctoral researchers at the Faculty of Life Sciences of Tel Aviv University.

Entries. Entries for the competition will consist of:

- Video-recorded lecture (mp4 format, recorded on Zoom or similar technology) describing a cancer research project carried out at the Faculty of Life Sciences of Tel Aviv University. The recordings, in English, should be of a maximum duration of **5 min** (longer talks will be eliminated from the competition).
- 300-word research abstract.
- CV.
- Recommendation letter from the Head of laboratory.

Prizes. Winners of the competition will be awarded prizes offered by the Ela Kodesz Institute for Research on Cancer Development and Prevention.

1st prize: NIS 7,500; 2nd prize: NIS 5,000; 3rd prize: NIS 2,500.

Selected talks will also be presented in a webinar, organized by the Ela Kodesz Institute for Research on Cancer Development and Prevention.

Deadline for Submission: 01, September, 2020.

Applications should be submitted to marcelo.ehrlich@gmail.com
